

Food and Agriculture
Organization of the
United Nations

Global Panel
on Agriculture
and Food Systems
for Nutrition

Launch of the policy brief:

**Preventing nutrient loss & waste
across the food system:
Policy actions to promote high-quality diets**

7 November 2018 | Iran room, FAO | 14:00 - 17:00

Should the reduction of food loss and waste
be a new priority for improving nutrition?

Join FAO and the Global Panel for the launch of this new policy brief.
